MEMORANDUM FOR: Chief, Plans, Programs, and Evaluation  
Staff/NFAC

FROM : [REDACTED]  
Chief, Project Planning and Control/  
Consolidated SAFE Project Office/ODP

ATTENTION : [REDACTED]

SUBJECT : Modification to the SAFE FY-82 Budget  
Request

STATINTL

1. Attached is the SAFE FY-82 Budget Request which has been modified to increase the travel allocation from \$26,000 to \$50,000. The SAFE Project has requested reprogramming of the FY-80 Budget to increase the travel allocation because the SAFE contractor is to perform the development effort [REDACTED] and more trips are to be required than anticipated in 1978 when the original Budget Request was prepared. Further, the costs of air fare has increased approximately 50 percent. Reprogramming of the FY-81 Budget is also expected.

STATINTL

2. In accordance with telephone conversations with [REDACTED] of the Comptrollers Office, the SAFE FY-82 Budget Request has been modified to more accurately reflect travel requirements.
